“Around the Aegean in five days”

Let's study our map...

...and set sail to the beautiful islands!!!

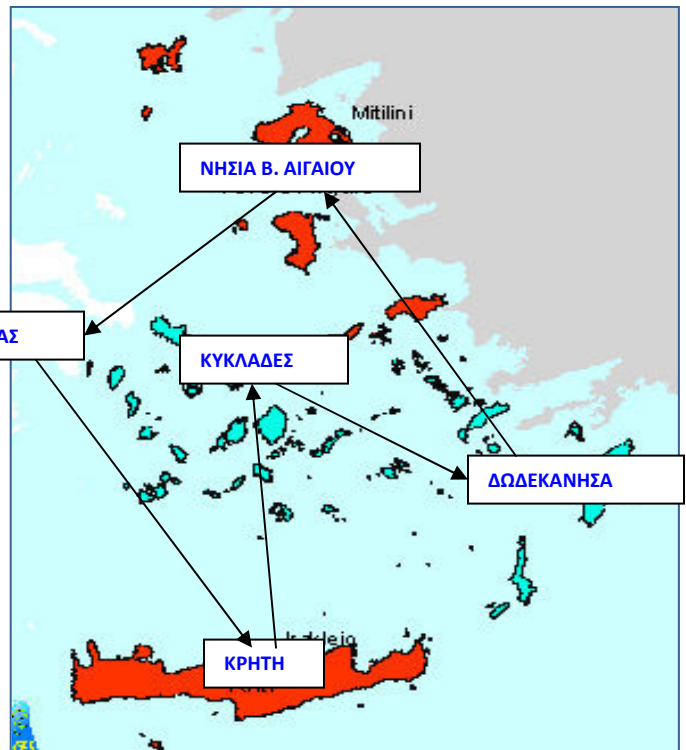

Each island is worthy learning its history, mythology and cultural traditions. Making diverse stops, in Crete we will talk about the Minoan civilization, manage to defeat the “Minotaur” and using Ariadne’s “mitos”, get out of the Labyrinth alive.

Next, our boat sails to Cyclades where we can admire the volcano, the Lions of Apollo, the windmills, and explore the myth of Atlantis...

Continuing our voyage we will visit Dodecanese, and experience more fun activities such as transform into a knight, play pirates search for hidden treasures. Also, we will learn about the “Colossus”, explore the life and traditions of “sfouggarades” (sponge divers) and join the Argonauts to their venture.

Reaching the northern Islands we will have a chance to taste and chew some “mastiha”, visit Daskalopetra where Homer taught, all along sing traditional songs, enjoy insular dances and much more.....

Every single day in our camp is unique, full of creativity, action, fun knowledge and discoveries.here are some snapshots of our previous Summer Camp!!

The Aegean awaits us...Come and have fun!
