Happy New Year...

Katerina Papachristou-Chiotis

Dear Greek School Families and teachers

Let me begin by wishing you all a Happy 2020 filled with many successes and continued progress. During winter break, I hope you had the chance to catch up with friends and family and enjoy some rest and relaxation. I certainly spent some time reflecting on 2019 and think about the work and opportunities that lie ahead in 2020, as I always get excited about the new year. It brings a feeling of hope and opportunity for the next coming phase of our lives. Happy New Year, I look forward to another year of positive thoughts and hard work to achieve the desired results.
